

States of Hope Kellsie Selfie Challenge

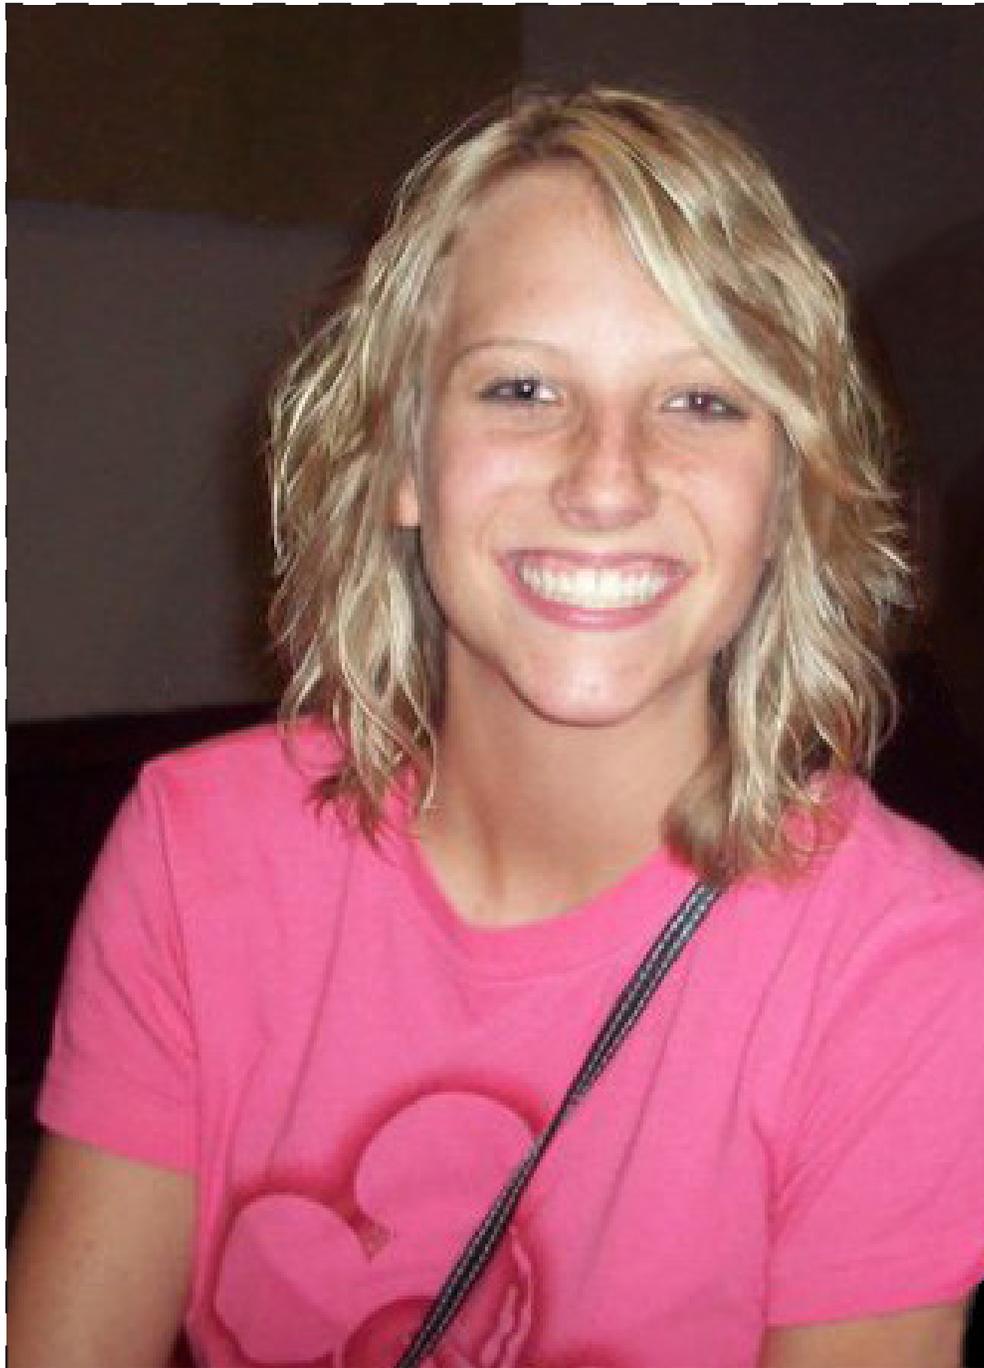

You can help us raise awareness of Childhood Cancer in all 50 States and across the world! Kellsie Marchbanks, the founder of Kellsie's Hope Foundation, would have turned 30 years old this year. Kellsie loved to smile and we want to celebrate her by seeing your smiles in all different parts of the country and the world!

1. Print off your official "Kellsie Selfie" page. If you don't have a printer, you can wear a pink or yellow shirt, or even draw a sign that says Kellsie's Hope to take a selfie with. Be creative!
2. Take your "Kellsie" with you to someplace that represents where you live and take a picture or video with her. It can be a favorite place in your town, the beach, a park, a landmark, or anywhere you go that makes you smile.
3. Upload your photo to Facebook or Instagram and include the hashtag #StatesOfHope and tell us about your city, state or country!
4. Challenge a few of your friends, family, co-workers, teammates, etc to take their own Kellsie Selfie to help us spread awareness of Childhood Cancer all across the globe!
5. Follow us on Facebook and Instagram to watch our map light up over the summer to see where Kellsie has visited!
6. For more information about Kellsie's Hope Foundation or to make a donation, visit our website www.kellsieshope.com

Kellsie's Hope is a registered 501(c)3 charity.
